Medical, legal or security problems that can occur during worldwide travel often become difficult to handle, especially in locations where local culture and standard of care differ than at home in the U.S. or Canada.

Travel Guard, a Chartis company, can provide assistance services to help clients, who purchase Travel Accident and Sickness and Workers’ Compensation coverage as part of the WorldRisk Foreign Commercial Package, prevent and solve these problems from the beginning to the end of the travel process. From knowing what immunizations are necessary in each country to recovering a lost wallet to where to seek proper medical attention, Travel Guard has the unparalleled service quality and operational capability to assist clients 24-hours-a-day, 365-days-a-year all around the globe.

**Travel Guard Overview**
- Leading travel insurance and assistance provider with a high customer retention rate
- Wholly-owned and managed travel assistance, concierge and customer service operations are available to provide clients with consistent quality care

**Ease of Use**
- Covered persons can contact one telephone number when in need of travel and medical assistance
- Travel Guard acts as a central point of control for the design and cost containment of assistance services
- Coordination support is available when multiple policies are in place for the same group or client

**Innovation**
- A suite of technology has been created to provide seamless integration with all major travel distribution systems and supplier channels

**Global Reach**
- Ability to provide worldwide travel assistance services 24/7 throughout every time zone
  - Operations are located in Kuala Lumpur, Malaysia; Houston, Texas; Stevens Point, Wisconsin; Shoreham, UK; and Buenos Aires, Argentina
- Approximately 1,000 assistance personnel can support up to 70 languages, ensuring clear communication worldwide
- If needed, benefits are paid in the local currency according to local requirements and standards

**How to Contact Travel Guard for Travel Assistance:**
- Call 1-888-873-8385 from U.S. and Canada
- Call 1-817-826-7008 for local or collect outside of U.S. and Canada

Travel Assistance Services

Examples of Travel Assistance Services

– Lost a credit card, passport or wallet?
  > Assistance is available for how to replace the lost documentation and/or complete police or airline claims forms
– Need cash to handle an emergency?
  > Assistance is available for using personal funds or obtaining a bail bond using personal sources of funds
– An emergency occurs at home and family members cannot contact you?
  > Messages can be stored for retrieval
– An emergency arises at your foreign location?
  > Contact information can be provided for the nearest embassy, consulate and government office
  > Translators are available to covered persons over the telephone
  > Contact information can be provided for vetted local attorney firms
– Do not know what to pack for your trip?
  > Current weather conditions for your destination can be provided
– Political events cause a need for a covered person to be evacuated?
  > Arrangements can be made for evacuation for a small service charge in addition to the actual evacuation expenses (should specialty arrangements be needed due to extreme circumstances, a top security firm can be hired to assist)
– Need emergency travel services?
  > Airline and hotel reservations can be booked and/or changed while a covered person or their dependents are in-transit

Examples of Medical Assistance Services

– Traveling to a foreign destination and do not know what preventative medicine to pack or immunizations to receive?
  > Information is available on the required immunizations a covered person should receive before traveling
– Need special medical services while overseas?
  > Assistance is available in obtaining special medical services a covered person might need, e.g. a wheelchair or oxygen tank
– Forget to pack or lose medication?
  > A covered person’s doctor can be contacted and arrangements can be made to have the prescription filled and shipped to the covered person, at their expense
– What is the protocol if a covered person dies while overseas?
  > Arrangements can be made for the return of the covered person’s remains in accordance with local governmental procedures
– What happens if a covered person becomes ill or injured while overseas?
  > Contact information and office hours can be provided for local medical providers
  > Coordination is available with the covered person during local hospital admission
  > Medical records stored pre-trip can be sent to a local doctor or hospital
  > If circumstances warrant, arrangements can be made for medical evacuation or repatriation with an approved transport provider and medical professional

Chartis is a world leading property-casualty and general insurance organization serving more than 40 million clients in over 160 countries and jurisdictions. With a 90-year history, one of the industry’s most extensive ranges of products and services, deep claims expertise and excellent financial strength, Chartis enables its commercial and personal insurance clients alike to manage virtually any risk with confidence.

Chartis is the marketing name for the worldwide property-casualty and general insurance operations of Chartis Inc. For additional information, please visit our website at www.chartisinsurance.com.

All products are written by insurance company subsidiaries or affiliates of Chartis Inc. Coverage may not be available in all jurisdictions and is subject to actual policy language. Non-insurance products and services may be provided by independent third parties. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds.
